Summary information

Repository: Mennonite Archives of Ontario
Title: Len Bechtel photograph collection
ID: Hist.Mss.22.1_1
Date: 1942-1944 (date of creation)

Physical description: 51 photographs

Note [generalNote]: Not all photographs in this file have been scanned and described at the item level. Close variant photographs and scenic photographs have largely been omitted. The file in its entirety can be viewed at the Archives.

Administrative history / Biographical sketch

Note

Born in Waterloo Township; married Nora (Brubacher) in June 1941. Performed Alternative Service in British Columbia: Emory Creek (summer 1942), Cowichan (1942-1943). Went to Victoria and Vancouver to work on the portable sawmill project (winter 1942/1943). Returned home in November 1943. After the war, started L.A. Bechtel Construction and later Preston Building Supply.

Custodial history

Photographs donated to the Archives after an interview with Bechtel conducted for the Alternative Service in World War II oral history project in 1975.

Scope and content

Consists of photographs taken or collected by Bechtel during his time in Alternative Service.
